

# 2014 MR Harvest Farm CSA Share Agreement

We have read the brochure and understand our commitment to the CSA process. We understand that organic farming involves variables not in the control of the farmer such as weather and we agree to share in those risks. We commit to the pick-up location chosen below and agree to send someone in our place if we cannot make it. We further understand that if the pick-up is not made, M.R. Harvest will donate that food to someone in need. All Balances are due by May 1<sup>st</sup>.
